

8 June 2023

Dear Parent/Carer

### **Year 11 Final examinations and leavers dates**

I am writing to you regarding our Year 11 students completing their final exams and leaving Scalby School.

The final whole year group examination is Physics on Friday 16<sup>th</sup> June. On this day there is also Geography and then finally Food Preparation and further Maths for some students on Wednesday 21<sup>st</sup> June.

We therefore plan to have a leavers assembly and celebration late in the afternoon on Thursday 15<sup>th</sup> June. This will involve a short assembly, some refreshments, and the chance to sign shirts, speak to teachers and sign leavers books. If students wish to sign shirts, they should bring with them a spare shirt that they can have signed.

Following the Physics exam on the Friday morning students who do not study Geography will be able to leave the school site at approximately 11am, with Geography students staying for their masterclass and exam in the afternoon. We will then only expect to see those students who have the final two exams on Wednesday 21<sup>st</sup> June for those exams.

That then leaves us with a few important date reminders. On Thursday 29<sup>th</sup> June there will be our annual Year 11 awards event, invites for this event will follow in due course. This is then followed by the Year 11 Prom on Friday 30<sup>th</sup> June. Leaving only the exam results day on Thursday 24<sup>th</sup> August.

It has been a pleasure to work with this group of Year 11 students and we wish them all success and best wishes for the future beyond Scalby.

Yours sincerely

Mr R Davis  
Deputy Head Teacher
