

Scalby School

(A school within Coast and Vale Learning Trust)

School Policy

Behaviour Policy

Approver: Governing Committee
Review Cycle: Annual

Revision History			
Date	Version	Short Description of Changes	Approved by:
11/2/09	1		School Governing Committee
19/5/10	2	Appendix C added	School Governing Committee
20/10/10	3	Appendix C revised	School Governing Committee
2/2/12	4	Addition of 3.2-3.4	School Governing Committee
11/7/12	5	Amendment to 2.1 re 3 rd and subsequent exclusions to be 2 days.	School Governing Committee
30/1/13	6	Items 3.2 & 3.3 are new	School Governing Committee
10/7/13	7	Item 9 added to Appendix 'C'	School Governing Committee
11/12/13	8	Re-approved unchanged	School Governing Committee

19/11/14	9	Re-approved with appendix D added.	School Governing Committee
8/7/15	10	Approved	School Governing Committee
23/11/16	11	Approved	School Governing Committee
20/9/17	12	Approved no changes	School Governing Committee
26/5/21	13	Approved addition to page 8, Appendix B	School Governing Committee
30/1/23	14	A number of new sections added and updated wording relating to suspensions and exclusions.	School Governing Committee
1/11/23	15	Slight amendment to the C4 detention sticker into yellow slip.	School Governing Committee
11/2/25	16	Reviewed	School Governing Committee

1. Aims & Outcomes

Scalby School has a firm commitment to putting the needs of our learners at the heart of our practice. Our whole school community deserves to work and learn in a safe and respectful environment. We have created a nurturing school which allows learners to succeed regardless of gender, race, background, or ability so they engage positively with their learning and show integrity in all that they do. We want all learners to value their education and 'Be the best they can be'. To achieve this, we focus on:

Embedding a whole school community ethos of respect, whilst building positive relationships between students, parents/carers and staff.

Recognising relationships are key to learners success, and where our young people fall below our high expectations, we will build on these positive relationships to ensure all our learners have a positive educational experience.

Encouraging learners to take pride in all that they do and use appropriate praise to recognise our school values; learning, leadership, preparation, ambition and respect.

Learners understanding the difference between right and wrong so they are prepared to be responsible citizens in 21st century Britain.

Standards of behaviour in our school rely on collective actions, we depend on each other. All school staff have a professional responsibility to ensure the guidelines of this policy are followed.

2. Legislative Context

Equality

The school is aware of its obligations under the Equalities Act 2010 and our public sector equality duty. The school takes all forms of prejudice seriously, and we maintain logs on bullying, homophobic, racist and sexist or harmful sexualised behaviour incidents. These are monitored and appropriate actions and interventions put in place. The academy maintains logs and analyses behaviour data by ethnicity, gender, sexual orientation, pupil premium and special educational need status to identify if students from any protected group are disproportionately affected by our Attitude to Learning policy. Trends and patterns identified are discussed at Local Governing Committee, Executive Principal and Trust Board meetings.

Legislative Reference

- Equalities Act 2010
- Sections 90 & 91 of the Education and Inspections Act 2006 detailing the general power to discipline
- Section 94 of the Education and Inspections Act 2006 detailing powers of confiscation
- Education Act 2002.

2. Everyday Routines

Scalby School has a firm commitment to putting the needs of our students at the heart of our practice. Policies and practice are therefore designed to promote an environment conducive to learning, ensuring high achievement for all young people, irrespective of their differing needs and ensuring students are respectful. To this end, students are asked to;

- 1.1. Arrive in school and at lessons punctually and prepared to learn. Students arriving late to school or lessons which are disturbing the learning of others may be required to undertake after school detention.
- 1.2. Bring appropriate equipment.
 - Black pen, Red pen, Pencil, Ruler, Scientific Calculator, P.E. Kit, exercise books/folders and other equipment that may be necessary.
- 1.3. Comply with the school uniform policy – failure to comply with the school's uniform policy may result in internal isolation or, after contacting their parent/guardian, the student will be asked to go home and change. The latter does not count as a suspension.
- 1.4. Students are requested to adhere to standards commonly accepted by society and to act in a polite and courteous manner.
- 1.5. All members of the school community are expected to treat staff and themselves with respect. Students are expected to comply with reasonable requests or instructions made by staff on the first time of asking.
- 1.6. Students are expected to have regard to their own safety and that of others.
- 1.7. The school provides a secure and safe environment for students and all students are expected to remain on site throughout the school day. Students are expected to leave the school grounds at the end of the school day unless engaged in extra-curricular activities.

Poor behaviour and low level disruption undermine the rights of young people to an effective education and can lead to people feeling unsafe, bullied, intimidated, or threatened.

The Local Governing Committee (LGC) believe that students should be encouraged to adopt behaviour that supports learning and promotes good relations. This behaviour policy seeks to encourage young people to make positive choices and reinforces those choices through praise: this is closely linked to the School's Assessment Policy via twice yearly progress reports and its mentoring and rewards system. The LGC recognise that even when encouraged to make the right choice, some students will occasionally make choices that threaten their own learning or that of others. A series of strategies will then need to be used to bring about changes to these behaviours. The aim of these strategies is to encourage students to comply with the school rules and re-engage with learning. In some circumstances, the LGC and Headteacher will need to act to ensure that the behaviour of a minority does not undermine the education of the majority or threaten the well-being of others, the school, or its community. This may result in exclusion from school.

4. Rewards & Recognition

Scalby School recognises the use of rewards to motivate students and as recognition of students whose efforts meet our expectations. There are a number of ways students are praised and rewarded, for example:

Scalby School Behaviour Policy			Organisation: Scalby School	Page 4 of 21
Date: 11/2/25	Version: v15	Review Date: Jan 26		

- The use of Progress Reports – all students receive a progress report 2 times a year that recognises the effort students are putting in across their subject areas. This is sent to parents. Students whose effort and attainment are particularly high are invited to an awards ceremony at the end of each term.
- Golden Ticket – Students can receive a golden ticket for exemplary work/behaviours in line with school values of Learning, Leadership, Ambition, Preparation, Respect. At the end of each term a raffle is drawn from the tickets to award high tariff prizes.
- Prom – students reaching the end of Year 11 whose effort has met our expectations will be invited to attend the school prom.
- Half-termly awards events
- PROUD Wednesday celebration events
- End of Term Awards for Attitude and Effort
- Praise on a daily basis from staff
- Attendance awards for students with high attendance or improved attendance

5. Teaching Of Good Discipline

Many different elements of the school curricula focus on our students' personal development and well-being and, as such, support our students to grow and develop a good set of personal values and habits. This is promoted through a wide variety of curriculum experiences including assemblies, mentor groups, mentor reading programme, curriculum area SMSC links, careers, mentoring, extra-curricular experiences, Relationship and Sex Education and LIFE lessons etc.

6. Sanctions

Unsatisfactory behaviour at the Scalby School will neither be ignored nor tolerated. We recognise that young people will make mistakes and on occasions may behave unsatisfactorily. We understand that not all behaviour is always choice behaviour in moments of high emotion, but **all** behaviour is communication. We do not serve children well if inappropriate behaviour is condoned by adults and excuses are made for poor choices. We believe that appropriate boundaries and positive habits of behaviour are best reinforced through the application of timely and proportionate sanctions.

Staff will sanction a student if they misbehave, act unsafely, irresponsibly, disrespectfully, if they break a school rule or fail to follow a reasonable instruction issued by a staff member. Scalby School operates a hierarchical sanctions system, with sanctions proportionate to the misbehaviour being challenged. Scalby School staff (and in particular teaching staff) will make use of a range of behaviour management strategies and sanction to support students, including:

- A verbal reprimand (a reminder or warning)
- A visual reprimand (a logged warning on the Consequences board)
- Changing a student's position in class
- Removing a student from a classroom
- The setting of written reflective or restorative tasks
- Withdrawal of privileges and social time with peers
- Community/restorative opportunities
- Issuing sanctions (such as detentions of varying length and at different times of the day)
- Tiered report cards and behaviour contracts
- Time spent in our Consequences Room
- Referral to the Access to Learning Centre
- Direction to a neighbouring school in the Trust
- Risk assessments
- Pastoral Support Plans

Scalby School Behaviour Policy			Organisation: Scalby School	Page 5 of 21
Date: 11/2/25	Version: v15	Review Date: Jan 26		

- Managed moves
- Attending an alternative provision programme
- Suspension
- Permanent exclusion

In cases where damage to school property has occurred, students and their families may be asked to make a full contribution to covering the cost of the damage or clean-up required.

When issuing a sanction, staff will show a positive regard, focusing on teaching and modelling the expected behaviours and restoring the relationship with the student. The focus of sanctions will not purely be punitive but will provide guidance to students so they can make positive changes so that unsatisfactory behaviour is not repeated and so that students have opportunities for both self-reflection and to repair any harm caused.

When issuing a sanction...

...staff will do all they can to:	...staff will avoid:
<ul style="list-style-type: none"> • Reprimand in private wherever possible - it secures a more positive response • Remain calm and listen • Use first names • Allow time and space to a student who may be exhibiting an angry response • Praise the student where they are demonstrating that they are taking responsibility for their action • Be fair and consistent • Use the minimum sanction to achieve the desired outcome • Re-integrate the student to class • Seek closure - ensure the student always knows that they have a fresh start and show how relationships can be re-built • Get support from a trusted colleague (New Face) or take the student to a new location where they feel safe (New Space) 	<ul style="list-style-type: none"> • Public confrontation wherever possible • Humiliation • Over-punishing • Any blanket punishments • Jumping to conclusions • Overreacting

7. Consequence System

The 'Consequence System' is designed to give students choices. Its principle role is to support learning by tackling and dealing with low level disruptive behaviour, i.e. behaviour that undermines the students own learning or that of others. If unchecked this sort of behaviour disrupts learning and undermines the authority of the teacher. 'Consequences' is not a replacement of classroom management techniques and will not compensate for poor teaching and unstructured lessons.

All classrooms have a Consequences board. The teacher will verbally remind students of the conduct that is expected. As well as the verbal reminders from the teacher, this serves as a visual reminder so that a student knows they have a chance to correct their behaviour at C1 (first warning), C2 (second warning) or C3 (third warning) before a formal sanction is given. A student in a C3 will be / could be moved by the teacher in the seating plan to give them a further opportunity to re-focus. SLT and Pastoral staff regularly visit classrooms. If a student appears on a C2 or C3 on the Consequences board then they should expect to be spoken to outside of the classroom by the member of staff and encouraged to make a positive, immediate change in their behaviour. A student who persistently appears on the Consequences board should expect to receive a poor behaviour grade on their Progress report for that subject in that reporting cycle. A phone call or in-person meeting with parents/carers will also take place.

The 'Consequence System' works in conjunction with a progressive system of structured intervention designed to address underlying causes of poor behaviour wherever possible. Governors are keen to ensure a fine balance is met, between the use of consequences, internal suspensions and fixed term suspensions to deal with persistent disruption, and their impact on the individual's ability to re-engage with their learning.

Please see;

- Appendix A – Behaviour For Learning actions for staff
- Appendix B – The Consequence Sequence
- Appendix C - Detentions
- Appendix D – Searching students in school
- Appendix E – C5 – C7

When students have reached 40 days' exclusion Governors recognise that the school is likely to have exhausted the strategies available to it to deal with the persistent disruption to the learning of others. In addition, Governors recognise that the individual concerned will have lost at least 40 days learning through this process, and it would be unlikely that the school could offer any other reasonable support at that time. At this point or at any other time in this process, the Headteacher may seek a respite move to another school, organised through the Local Behaviour Collaborative (stays on school role and returns in September, irrespective of the time of year). If the respite move breaks down before the end of the academic year, this is likely to result in a permanent exclusion.

8. Mobile Phones and other electrical devices

Students are allowed to bring mobile phones into the school, provided that they are switched off at the school gates on entering school and not switched back on until students leave the school grounds at the end of the school day. During the school day they should remain hidden from view, in the bottom of a school bag or coat pocket. Identical restrictions apply to all other electrical devices; smart watches, music players, etc. Students in Consequences or Internal Suspension will be expected to hand in their electronic devices on arrival. They will be returned to the student at the end of the day.

Should students not adhere to these rules, the item will be confiscated and placed in a secure place until a responsible adult can collect it. On collection, a letter will be issued to the adult and asking them to take steps to encourage compliance with the rule in the future. Any mobile phones still held at the end of each half term will be returned to the individual concerned.

9. Reset Intervention

As stated above, sanctions have the biggest impact in changing a student's behaviour when they have clarity and immediacy. If a student owes a number of sanctions, then this becomes impossible. In this scenario, a student may be referred for a Reset intervention during which they will:

Scalby School Behaviour Policy			Organisation: Scalby School	Page 7 of 21
Date: 11/2/25	Version: v15	Review Date: Jan 26		

- Complete the time owed relating to sanctions in a short block of time
- Be allocated a staff mentor
- Be placed onto a Reset monitoring card for a period of 4 weeks
- Receive a phone call home at the end of each week to celebrate success

10. Addressing Internal Truancy

When students are not being responsible for attending their lessons and being where they should be at the correct time, this can cause a potentially serious safeguarding issue. Where a student has not arrived at a lesson within the first 10 minutes, this is classed as internal truancy. When this happens, the student will receive an appropriate sanction during which a member of SLT or the Head of Year will meet with the student to look at the causes of the internal truancy and to try and remove any barriers that the student is facing in attending lessons. This could be linked to:

- Timetable issues
- Seating plans
- PE Kit/Equipment issues
- Anxiety or lack of confidence
- Etc

The seriousness of the safeguarding risk will be explained to the student and home will be contacted. Should this become a pattern of behaviour then a truancy meeting will be convened by the Senior Leader for Engagement & Safety as well as the student's Head of Year. Parents/carers will be invited to attend the panel and there is some pre-panel information that the family should complete prior to attending. The aim of the panel is to address the serious safeguarding risk posed by internal truancy and to draft a contract detailing expectations of the school, home and the student. This will then be subject to a 6 week monitoring period before a review meeting with home is held. The student's success in addressing their internal truancy and being safe, respectful and responsible will be recognised as part of the monitoring.

10. Referral to the Access to Learning Centre

Students who require significant intervention to bring about changes in their behaviour may be referred to the Access to Learning Centre (ALC) for an agreed period of time. During this time students will complete work set by their class teachers and also undertake a bespoke SEMH curriculum, based on teaching them to be safe, be respectful and be responsible and giving strategies to modify how they communicate through how they behave. Towards the end of the placement in the ALC, students will be supported to return to some lessons and social time and given a chance to show that they can be successful. The ALC opens daily from 8:25 to 2:30 and students have a bespoke break and lunchtime. It is staffed by a trained ALC Coordinator and other supporting staff. Often, students will receive support and intervention from external agencies during their time in the ALC. Should the placement in the ALC not be deemed successful then a re-referral may be made at the end of the placement. However, the aim is to support students back into their mainstream curriculum successfully.

11. Direction to Off-Site Alternative Provision

Where there has been repeated and persistent disruption and defiant behaviour, a student may require an Alternative Provision placement for a specified period of time.

The Headteacher reserves the right to direct students off-site for education to help improve their behaviour and meet need and to commission high quality alternative provision for students if

Scalby School Behaviour Policy			Organisation: Scalby School	Page 8 of 21
Date: 11/2/25	Version: v15	Review Date: Jan 26		

appropriate. Alternative provision will differ from student to student but our guiding principles are that students:

- Realise good academic attainment on par with the mainstream academy (particularly in Maths and English), with appropriate accreditation and qualifications
- Achieve improved student motivation and self-confidence, attendance and engagement. Have clearly defined objectives for the next steps in education, including reintegration to mainstream education, progression to further education or training or employment
- Receive high quality personal, social and academic support
- Any provision will be full time in total (but may be a blended combination of different placements, or involve a combination of mainstream and alternative provision). Some students may be on a reduced reintegration timetable as part of an agreement between parent/carer and the school.
- Alternative provision is appropriately registered and meets the relevant safeguarding
- All alternative provision will be inspected prior to any placements.
- Be time bound and subject to regular review

Once a student has been directed offsite, the placement will be reviewed by SLT each half-term and student's attendance will be checked daily with regular visits made to the provision to check on the student. Parents/carers will be engaged in the decision to direct a student off-site, and information about reviews will be provided to the parents/carers (and to the local authority for students with statements of special educational need or education and health care plans (EHCP)). Parents/carers and, where the student has an education and health care plan, the local authority, may request in writing that the school reviews the placement to ensure the provision achieves the aims listed above. The school will comply with this request unless there has been a formal review within the previous 10 weeks.

At the end of any placement the school will seek an end of placement report from the alternative provision provider and will seek the student's views (if appropriate) as to the success of the placement in order to inform future planning.

12. Managed Moves

For a managed move to take place there needs to be agreement between the School, the parents and the new school that a managed move should occur. A managed move is a permanent move to a new school. Before a managed move is agreed to, the pupil may be directed off-site (refer to previous section) to attend the new school for a period to ensure that the new school would be suitable for them. At the end of this off-site directed period, the relevant parties (including the parents) will review the placement before a decision is taken about whether the move becomes a permanent managed move.

13. SEND and Reasonable Steps

Scalby School is an inclusive school and welcomes all students who are a part of our community. Students with special educational needs or a disability (defined in the Equality Act 2010 as a "physical or mental impairment that has a substantial and long term negative effect on your ability to do normal daily activities") are entitled for reasonable adjustments to be made in order to ensure that they are able to access and benefit from the full services provided by the school. In applying its behaviour policy, the school starts from the viewpoint that all students have the capacity to behave positively, but recognises that some students will require personalised support to allow them to do so, and that it might take longer for some students to be able to learn how to behave in certain situations.

Scalby School Behaviour Policy			Organisation: Scalby School	Page 9 of 21
Date: 11/2/25	Version: v15	Review Date: Jan 26		

When applying sanctions, staff will consider a student’s SEND status, and will not sanction a student for any behaviour that follows as a direct result of a SEND need. For example, no student with Tourette’s Syndrome would be sanctioned for talking in class if they made involuntary noises; no student with an autistic spectrum condition would be sanctioned for rudeness if they weren’t able to hold eye contact with a staff member; nor would a student with ADHD be sanctioned for fidgeting.

Equally the school will not make blanket assumptions of the behaviour of a student based on generic labels of a particular type of special educational need or disability. For example, ‘autism spectrum condition’ covers a broad range of children and no two autistic children are identical. Instead, the academy will use SEND information and the guidance and advice of our expert SENDCo as a starting point in getting to know the individual child, and staff working with these students collectively (and with input from parents and carers) over time will build up an individual knowledge of the capacity of a child. Scalby School may however sanction misbehaviour for students with special educational needs when this is not directly linked to their SEND need. Not to do so, would mean a crucial part of their support was missing and that the school was not reinforcing appropriate boundaries for students whilst at school. It is not in the best long-term interests of students with special educational needs not to address misbehaviour as this does not prepare them for the wider world beyond school.

Regular rules and routines also form a part of a students’ feeling of security and safety and it is important that all students are provided with a safe and predictable environment whilst at school. Scalby School has a duty to its staff and to other students to ensure that the school is a safe environment for all. The key questions staff will ask when determining sanctions for students with special educational needs or a disability are:

- Was the behaviour a direct result of their special educational need or disability? (as illustrated above)
- Has the student had sufficient education and support to understand the rule they have broken?
- Does the student lack a more fundamental cognitive capacity to understand choice and consequences in relating to that incident? This consideration is not a formal or written process, but is a dynamic consideration undertaken at the point of issuing a sanction.
- Does the student’s My Profile need reviewing to meet their needs.

Parents and carers of students with SEND are encouraged to communicate with the Senior Leader for Engagement & Safety and SENCO regarding their child’s individual needs and this should be done openly and in advance so that school is informed of these views and can take them into consideration when putting in place support plans for students with SEND. Students with education and health care plans (EHCPs) may be supported differently to the processes detailed in aspects of this policy.

14. Internal and fixed term suspensions

Internal suspensions involves, a student being placed in isolation from 8.25 until 2.30pm. Internal suspensions may be for a series of days depending on the nature of the breach of school rules.

Fixed term suspensions where a student is not permitted into school are recorded by the LA and mean a student is not allowed in school for the period of the suspension. Such fixed term external suspensions will vary in length depending on the nature of the breach of school rules.

All decisions to suspend, whether internally or externally, are serious and only taken as a last resort or where the breach of the school rules is serious. The following are examples of incidents that may warrant an internal or external suspension. The decision as to which will take place will depend on the nature of the incident

- Serious failure to comply with a reasonable repeated request from a senior member of staff
- Persistent failure to wear the school uniform which has been provided for a student who is in correct uniform is regarded as failure to comply with a reasonable request.
- Breaches of health and safety rules (including smoking or vaping on site)
- Verbal abuse of staff, other adults or students
- Possession of drugs and / or alcohol related offences
- Failure to comply with the requirements of the 'Consequence System©' see section 6 above.
- Wilful damage to property
- Homophobic, sexist or Racist Bullying
- Bullying of a sustained and serious nature
- Persistent defiance or disruption.
- assaults or fighting that is not premeditated or planned
- Sexual behaviour and misconduct (including upskirting which will be considered a serious and deliberate breach of policy).
- Theft
- Making a serious or false allegation against a member of staff
- Behaviour that calls into question the good name of Scalby School
- Other serious breaches of school rules.
- This list is not exhaustive

All internal or fixed-term suspensions will involve a readmission meeting with parents/carers and the student present, along with a member of the SLT. Meetings will be made at a mutually convenient time.

Internal and fixed-term suspensions that result from a failure to comply with a reasonable request from a senior member of staff may result in reintegration via the Access to Learning Centre. Fixed-term suspensions may include reintegration in the consequences system at the discretion of the Headteacher.

Should a student arrive late at the Consequences room without good reason and before 9.00am, they will serve a one-hour after-school detention in the hall.

Should a student arrive late at the Consequences room without good reason after 8.50am, they will serve a second full day in the Consequences room until 3.30pm and a further one-hour after-school detention for every hour they are late after 9.25am.

15. Permanent exclusion

A decision to exclude a pupil permanently should only be taken:

- in response to a serious breach, or persistent breaches, of the school's behaviour policy; and
- where allowing the pupil to remain in school would seriously harm the education or welfare of the pupil or others in the school such as staff".

[\(Suspension and Permanent Exclusion from maintained schools, academies and pupil referral units in England, including pupil movement: Guidance for maintained schools, academies, and pupil referral units in England, August 2024\)](#)

The Headteacher will make the judgement, in exceptional circumstances, where it is appropriate to permanently exclude a child for a first or 'one-off' offence. These offences might include:

- a) serious actual or threatened violence against another student or member of staff.
- b) supplying an illegal drug

Scalby School Behaviour Policy			Organisation: Scalby School	Page 11 of 21
Date: 11/2/25	Version: v15	Review Date: Jan 26		

- c) carrying an offensive weapon (see below)
- d) sexual abuse or assault
- e) repeated verbal abuse of staff
- f) persistent defiance and disruption that may or may not be directly linked to the Consequences system.
- g) deliberate activation of the fire alarm without good intent
- h) repeated or serious misuse of the school computers by hacking or other activities that compromise the integrity of the computer network.

The Headteacher may also permanently exclude a student for:

- one of the above offences
- persistent disruption and defiance including bullying (which would include racist, sexist or homophobic bullying) or repeated possession and/or use of an illegal drug or drug paraphernalia on school premises
- an offence which is not listed but is, in the opinion of the Headteacher, so serious that it will have a detrimental effect on the discipline and well-being of the academy community

Further legislative information with respect to the carrying of offensive weapons can be found here: <https://www.gov.uk/government/publications/the-offensive-weapons-act-2019>

The school has determined that, in addition to legislative guidance, any knife, irrespective of length, constitutes an offensive weapon and should not be brought into school. In addition to knives; axes, BB guns, air guns, GATT guns, catapults and slings etc, will also be deemed to be offensive weapons. Other types of offensive weapons will include lengths of pipe, bats, other blunt instruments, or items judged by the Headteacher or LGC to be carried with the intention to inflict injury on another individual – this would include blades removed from pencil sharpeners, for example.

When a student is permanently excluded, the responsibility for their provision from the 6th day of the permanent exclusion rests with the Local Authority in which the academy is located. The Clerk to the Academy Council will liaise with parents/carers and convene a Behaviour Committee to review the Permanent Exclusion on or before the 15th day of the exclusion.

14. Searching, Screening and Confiscation

Please refer to DfE guidance: [Searching, screening and confiscation: Advice for head-teachers, school staff and governing bodies](#), January 2018,

15. Confiscated Items

Scalby School has the right to confiscate, retain or dispose of a students' property as a punishment if reasonable in the circumstances. School staff can seize any prohibited item found as a result of a search and can also seize any item considered harmful or detrimental to school discipline. Scalby School and its staff are not liable for any loss of, or damage to, any item they have confiscated in accordance with our policies and procedures. The school will dispose of items in the following ways.

- Weapons, child pornography, or items which are evidence of an offence will be handed to a police officer
- Alcohol, tobacco, cigarettes and papers, e-cigarettes, fireworks will be disposed of by the school. They will not be returned to the student
- Contraband in the form of chewing gum and fizzy or energy drinks will be disposed of
- Controlled substances will usually be passed to the police, but may be disposed of by academy staff if there is good reason to do so. The Headteacher will take into account the relevant

Scalby School Behaviour Policy			Organisation: Scalby School	Page 12 of 21
Date: 11/2/25	Version: v15	Review Date: Jan 26		

circumstances to determine whether they can safely dispose of the seized article. Where school staff suspect that a substance is controlled it will be treated as a controlled substance

- Items which have been or could be used to commit an offence, or to cause personal injury or to damage property can be handed to the police or disposed of
- Items banned under the school rules will either be returned to parents, or disposed of. Jewellery can be collected by students at the end of the day
- Stolen items may be handed to the police or returned to the owner. They may also be retained or disposed of if returning them to their owner is not practicable. The police will not be involved for low value items

The academy will inform parents/carers where alcohol, illegal drugs or potentially harmful substances are found.

CONSEQUENCES OF BEHAVIOUR IN THE CLASSROOM - APPENDIX A

Consequences is designed to give students choices. It supports learning by tackling and dealing with low level disruptive behaviour. It is not a replacement for good classroom management techniques, poor teaching and unstructured lessons.

Aim for praise to outweigh consequences 80/20, remember the saying 'what you praise, you increase'

When students don't behave, give them what they don't want, a cool, mechanical, emotionless response.

Save your passion, emotion, enthusiasm and excitement for when it has most impact – when students behave appropriately.

Setting the scene for positive behaviour is the key.

Positive role model – be at the door to greet students, smile, be enthusiastic about working with the students. This about Spiritual, Moral, Social and Cultural issues and how developing the 'big picture' with students allows them to think 'outside the box'.

Praise – apply achievements and praise with care. Be sure you have explained what the praise or achievement is for as some students may feel individuals are given acknowledgment unjustly.

Clean slate – clean consequence board, make sure you deal with incidents before the next lesson. Speak to the student in the consequences detention to have those restorative conversations

Be consistent – use this and only this system with **all** students

The system is PREDICTABLE, RELIABLE and CONSISTENT. Do not invite discussion.

State the facts. The priority is to maintain the pace of the lesson for the benefit of all students

If you use effective behaviour management strategies then the Consequences system will be rarely necessary because the PACE, CHALLENGE and POSITIVE REINFORCEMENT should sustain and enthuse them.

Reflecting on our practice

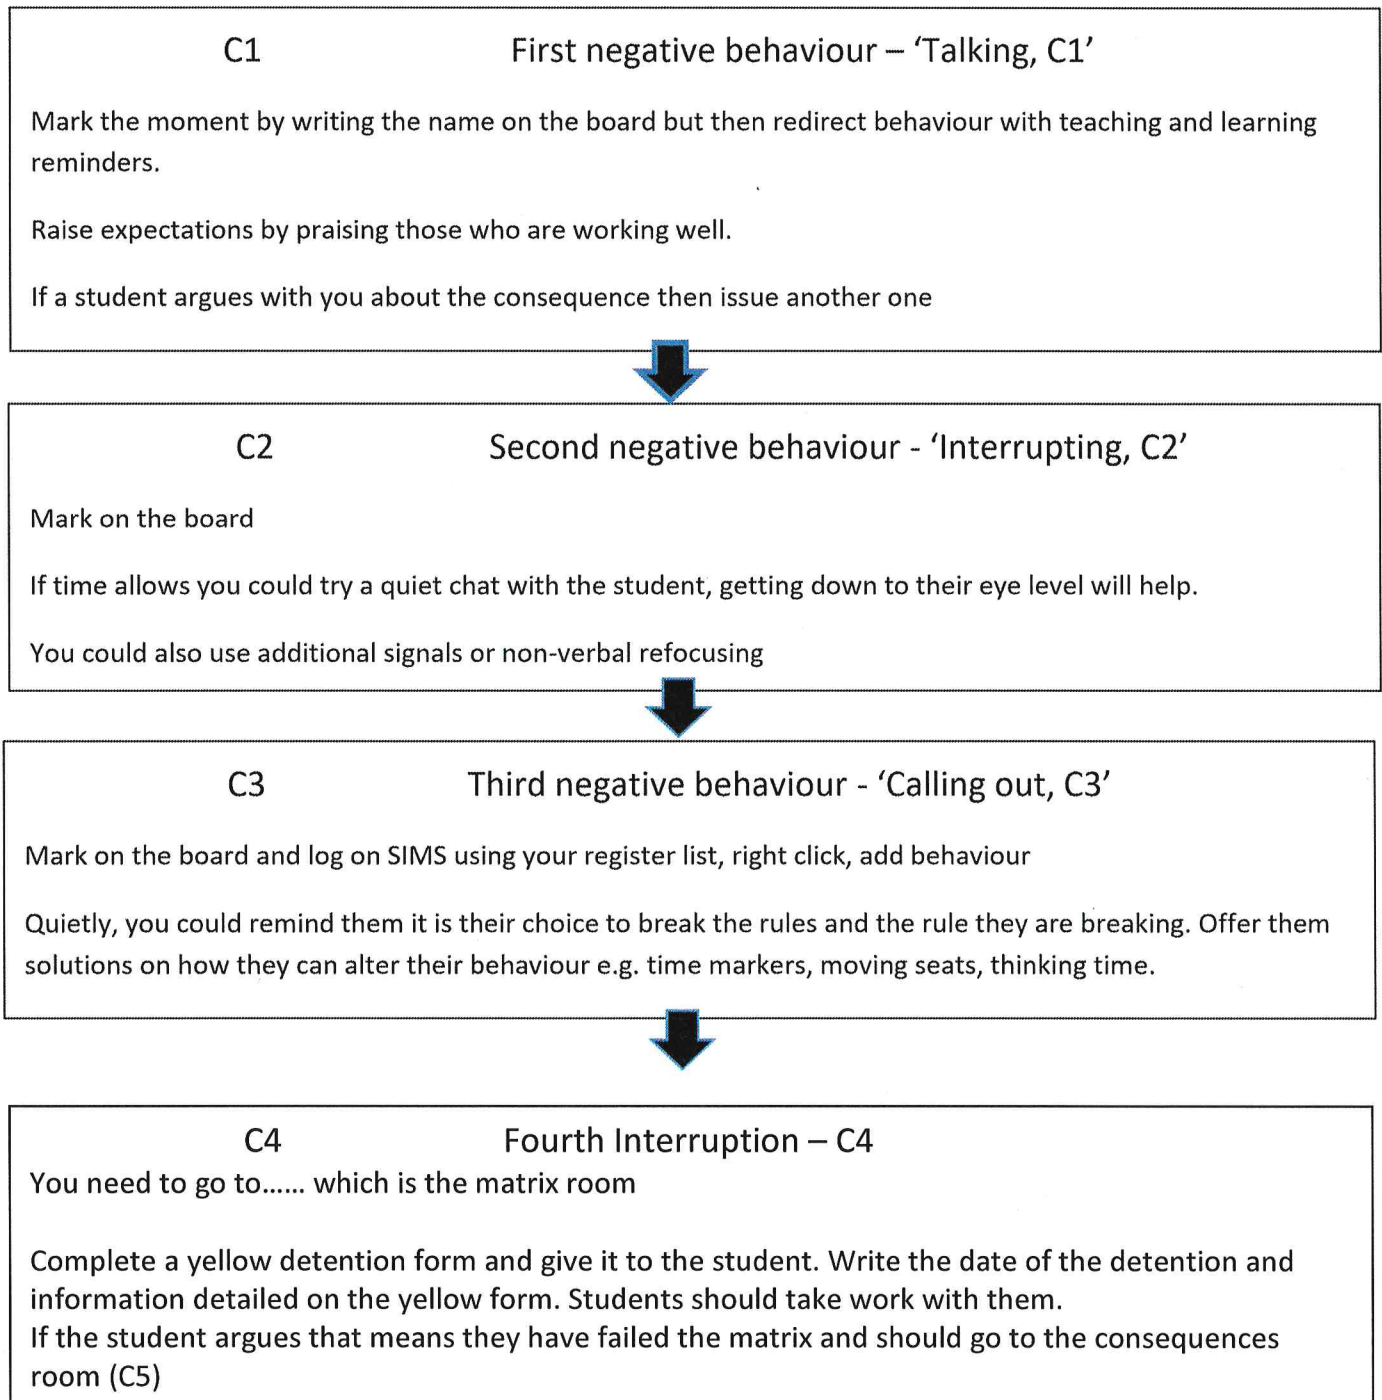

Reflecting on our practice is a vital tool in developing our skills, so:

Questions to ask yourself:

Scalby School Behaviour Policy			Organisation: Scalby School	Page 13 of 21
Date: 11/2/25	Version: v15	Review Date: Jan 26		

- Have I planned my lesson appropriately and shared the outcomes with students?
- Am I praising and rewarding those who behave?
- Is the work challenging and exciting?
- Are the resources appropriate and readily available?
- Have I greeted them at the door and made my high expectations clear at the beginning?
- Is my seating plan right and have I made my 'reasonable requests' clear?
- Have I taken control of the class on entry, during the lesson and at the end?

C1 – C4 System

A student needs to return to your class 5 minutes before the end of the matrix period with the work they have completed in the matrix room.

You should have a brief discussion with them about their behaviour.

If this is not possible, you should have that discussion at the detention, so you can discuss strategies to avoid the poor behaviour next time.

Detentions should be logged on Bromcom, taking care to complete all necessary details as this will assist with analysis and intervention strategies.

Straight C4's

These detentions are issued immediately for reasons listed below:

- Smoking or smoking by association (including electronic cigarettes)
- Refusing a reasonable request
- Using a mobile phone or any smart technology
- Out of bounds
- Inappropriate behaviour in the canteen/ corridors
- Being late to school or a lesson
- Uniform infringements
- Make up/ Nail polish
- Jewellery
- Failure to bring correct equipment
- Dangerous behaviour in the classroom
- Eating in a lesson
- Using ICT inappropriately – games, banned sites etc
- Failure to complete homework in KS4 despite subject detentions and parents contacted.

These detentions should be given by the member of staff dealing with this. The detention will be carried out the next evening centrally along with whole school detentions. Detentions should be logged on BromCom.

If there is a genuine reason for a student not being able to complete a detention subject detention, then parents/ carers should inform the school either by sending a note to the head of year or by calling the school. Students should take any notes to be shown to the Head of Year before 1:30pm on the day of the detention. Teachers will be unable to respond to emails or phone calls regarding detentions as they will be teaching up until 2:30 pm and often run after school sessions up until 3:30 pm. Detentions cannot be changed after this point. The detention will then be completed by the child on the next available night in the Hall.

Failing the above detentions may result in a day in Consequences at SLT discretion.

C5 – C7

C5 1 day in Consequences from 8.25am – 2.30pm

- Student fails matrix, misses or disrupts a C4 detention (not homework)
- Rudeness to staff
- Unpleasantness to other students

A restorative conversation should take place before a student returns to lessons

Scalby School Behaviour Policy			Organisation: Scalby School	Page 15 of 21
Date: 11/2/25	Version: v15	Review Date: Jan 26		

C6

Internal Exclusion

1 – 5 days in Consequences Room from 8.45am – 2.30 / 3.30pm

- Abusive language to others
- Fighting
- Defiant behaviour

A meeting will be held at some point during the C6 between parents, student, HOY and SLT link. This could be on the first morning of the C6 from 8.25am or at any point. A student cannot return to lessons until this meeting has taken place. Where appropriate other members of staff may attend the meeting or will hold restorative conversations with the student to resolve issues before a return to the classroom.

C7 Fixed Term External Suspension

Work will be provided, and students are expected to complete this and return it.

For very serious breaches of school discipline such as

- Rudeness to or refusal to comply with instructions from members of the Senior Leadership Team.
- Physical assault on a student.
- Refusal to go into the Consequences room for internal exclusion or poor behaviour whilst in Internal Exclusion.

Students must complete a full day in Consequences. If they fail Consequences, then the day has to be done the next day.

Students should complete a reasonable amount of work whilst in the Consequences room.

Students will be isolated all day. They will get their lunch from the canteen at 11.50am and eat in the Consequences room.

THE CONSEQUENCES SEQUENCE

APPENDIX B

- C1** First misbehaviour – verbal warning.
Name goes on the Consequences board.
- C2** Second misbehaviour – verbal warning.
Name goes on the Consequences board.
- C3** Third misbehaviour – final warning.
Name goes on the Consequences board. This is recorded electronically using Bromcom by 3.30pm and parents notified
Students who accrue 2X C3's in a week will receive a C4- 1 hour detention after school.
- C4** Fourth misbehaviour – issue completed yellow detention form and send to Matrix Room. Ensure the student has work to take with them. **MAKE SURE YOU RECORD TIME LEFT LESSON** on the yellow form and sign it. Date of detention completed, and detention logged on Bromcom. A text message will be sent to parents informing them about the detention.

Students who accrue 2X C4's in a day for persistent disruptive behaviour – will be given a day in Consequences

- C5** Fifth misbehaviour – send to Consequences Room for the rest of the period. Gatekeeper to arrange full day Isolation in Consequences with 1 hour detention after school.

When do I call for further assistance?

If there is a serious incident, eg a health and safety issue, foul and/or abusive language directed at a member of staff, then a senior member of staff must be contacted through the Clerical Office.

DETENTIONS
Whole School C4's

APPENDIX C

A C4 is a serious sanction since it is backed by the weight of the Consequences system.

Students will require a C4 if:

- They arrive after 8.25am without a valid reason (medical appointment, interview, etc)
- They wear their uniform incorrectly.
- They repeatedly arrive at school without their planner
- They arrive at lessons without their equipment
- They are out of bounds at lunchtime
- They are seen chewing gum in school
- They are caught smoking or are 'smoking by association', including electronic cigarettes. (This is a 2-hour detention)
- They do not bring PE kit 3 times in a row.

Homework Detentions

Year 11 Detentions from failing to complete exam preparation and revision tasks or homework

All tasks which Year 11 students are expected to complete at home are exam preparation and revision tasks. These tasks will give our students knowledge of content or offer practice of questions that typically appear in GCSE exams. The completion of these tasks is crucial to our students' success in their exams. Teachers will ensure that all students leave school with a clear understanding of how to complete these tasks and will offer after school support should any students need further help to complete them. The school also offers a Year 11 Study Room so that students can complete exam preparation and revision tasks before they go home. Students who fail to complete these tasks without good reason will receive a detention organised for the next evening students will serve this detention in the Dining Room. Students who fail these detentions will receive a C4 behaviour detention.

SLT will monitor the students who receive a C4 for failing to appear at the department detention on Fridays after school. The school will invite the parents of those students who are accumulating a number of these C4 detentions so the support can be put in place to help the student.

Year 9 and Year 10

If students do not complete homework they will be issued with a detention for up to an hour. During this detention, students should complete missed homework. Students who fail these detentions will receive a C4 behaviour detention

Support to Learn conversations with their teachers regarding the reasons for missed homework need to take place, ideally before the next lesson.

Support to learn conversations are ones that explore the issues behind the non-completion of homework. This is to help prevent further homework issues and resolve any conflict. As a result, student progress should improve.

They happen between teacher and student but may be further explored with parents either on the telephone or at a face to face meeting. A series of actions identified from the conversations could be carried out by the student, teacher, HOD, HOY, parents or a combination of those involved.

Students who repeatedly fail to complete homework will be required to attend homework club, may be placed on Faculty report and if in KS4, may be placed in whole school detention.

BEHAVIOUR FOR LEARNING C5, C6 and C7

APPENDIX D

C5 In addition to matrix failure, missing or disrupting a C4 behaviour detention a C5 will be issued for:

- Rudeness to staff.
- Unpleasantness to other students.

Students will spend 1 day in the consequences room until 2.30pm. Work will be provided. Heads of Year will have a Support to Learn conversation with each student in their year group during their day in Consequences.

Internal Suspension

C6

These will be issued for serious breaches of school discipline. They will be issued for:

- Abusive language to others.
- Fighting.
- Bullying behaviour.
- Defiant behaviour.

Students will spend between 1 – 5 days in the Consequences room. Their school day will be from 8.25am – 2.30pm. Work will be provided. Heads of Year will have a Support to Learn conversation with each student in their year group during their Internal Exclusion period

Students could spend some additional time in Horizons, the support base before returning to mainstream lessons, depending on the misdemeanour.

C7 **Fixed Term Suspension.**

This is for very serious breaches of school discipline such as:

- Rudeness to, or refusal to comply with instructions from members of the Senior Leadership Team, including refusal to complete a C6.
- Physical assault.
- Making threats to other students.

Searching:

- In line with Dfe guidance School staff can search a student for **any item if the student agrees**.
- The Headteacher and staff authorised by him have a statutory power to search students or their possessions, **without consent, where they have reasonable grounds for suspecting that the student may have a prohibited item**. Prohibited items at Scalby School are:
 - Level knives or weapons
 - Alcohol
 - Drugs
 - Stolen items
 - Tobacco, cigarette papers, lighters, matches and electronic cigarettes
 - Fireworks
 - Pornographic images
 - Any article that the member of staff reasonably suspects has been, or is likely to be, used to commit an offence, or
 - to cause personal injury to, or damage to the property of, any person (including themselves)

Confiscation: School staff can seize any prohibited item found as a result of a search. They can also seize any item, however found, which they consider harmful or detrimental to school discipline. Illegal items such as drugs and weapons will be handed to the Police.

Conditions of searching:

- The requirement that the searcher is the same sex as the student and that a witness is present will continue to apply in nearly all searches. Where it is practicable to summon a staff member of the same sex as the student and a witness then the teachers wishing to conduct a search must do so.
- In the exceptional circumstances when it is necessary to conduct a search of a student of the opposite sex or in the absence of a witness, the member of staff conducting the search should bear in mind that a student's expectation of privacy increases as they get older.

Extent of the search:

In line with the law, searches can be carried out on outer clothes, possessions and lockers.

- The person conducting the search may not require the student to remove any clothing other than outer clothing.
- 'Outer clothing' means clothing that is not worn next to the skin or immediately over a garment that is being worn as underwear, but 'outer clothing' includes hats; shoes; boots; gloves and scarves.
- 'Possessions' means any goods over which the student has or appears to have control – this includes desks, lockers and bags.
- A student's possessions can only be searched in the presence of the student and another member of staff, except where there is a risk that serious harm will be caused to a person if the search is not conducted immediately and where it is not reasonably practicable to summon another member of staff.

Scalby School Behaviour Policy			Organisation: Scalby School	Page 19 of 21
Date: 11/2/25	Version: v15	Review Date: Jan 26		

- The power to search without consent enables a personal search, involving removal of outer clothing and searching of pockets; but not an intimate search going further than that, which only a person with more extensive powers (such as a Police Officer can carry out).

Use of Force:

- Members of staff can use such force as is reasonable given the circumstances when conducting a search for knives or weapons, alcohol, illegal drugs, stolen items, combustible items such as lighters, fireworks, pornographic images or articles that have been or could be used to commit an offence or cause harm.

Informing Parents:

While the school is not legally required to inform parents before a search takes place or to seek their consent to search their child, the school will inform the individual student’s parents or guardians where prohibited items are found.

This Policy was reviewed by the Local Governing Body on a yearly cycle and must be signed by the Chair of Governors and Headteacher.

Please ensure you complete the Equality Impact Assessment below

Equality Impact Assessment Form 1.

Title of policy, project or practice being reviewed or planned

Behaviour for learning.

2. Outline the aims, objective and purpose of the change including any positive impacts on equalities groups.

n/a

3. Which groups of people (if any) are most likely to be affected by the planned changes, positively or negatively?

n/a

4. Does, or could these changes have an adverse effect on members of an equalities group? Identifying a negative impact is not a problem, as it gives you an opportunity to remove the barrier, find a way around it, or offer an alternative.

Protected Characteristics / Group	Yes (brief explanation)	No
Age (staff only)		x
Disability		x
Gender		x
Gender reassignment		x
Marriage / civil partnership		x
Pregnancy / maternity		x
Race / ethnicity		x
Religion / belief		x
Sexual orientation		x

5 Is there a way to modify the decision to remove or mitigate the negative impact on protected groups while still achieving this aim? How can you maximise positive outcomes and foster good relationships?

n/a

6 Outline the decision made and actions planned.

Annual review and half termly monitoring of outcomes for students in terms of both academic progress, behaviour and vulnerability will enable the school to mitigate any negative impact and amend the policy accordingly.
